Dear Damaris,

I recently heard your new CD, "The Heart of God." I can't begin to tell you how deeply moved I was. Thank you so much for including my songs, "Tell Jesus" and "How Rich I Am." You have a beautiful voice and your interpretation has such feeling and sensitivity. The lyrics to "Tell Jesus" have such significance for me right now because of what I'm going through. How good to know that we can talk to Jesus -- that he listens and that he cares.

May God continue to bless you and your music ministry.

Sincerely,
